*Competition Fees are estimates as the Club is waiting for additional direction from Natation Artistique Québec ("NAQ") regarding competition locations. The fees above include an estimate for routine music, an estimate for entry fees and coaching at competitions based on the past season with travel expected. If actual competition expenses are less than budget, a refund will be given at the end of the season. If actual expenses are higher, a bill is sent at the end of the season. Fees related to uniforms, routine suits, and athlete meals at competitions are excluded from this amount. Once these amounts are known, a separate payment will be requested. The fees also do not include athlete affiliation to NAQ as they will now require members to affiliate themselves directly rather than having it be done by the clubs. Cost of athlete's hotel accommodations for 9-10 and 11-12 teams not included.

**Athletes participating on the Mixed Abilities team who are also part of another team do not pay the Club fee for the Mixed Abilities team. However, need to add an additional \$115 to attend an additional competition.
