*Competition Fees are estimates and include an estimate for routine music, an estimate for entry fees and coaching at competitions based on the past season with some travel expected (Rimouski for 13-15 PS teams). Team fundraising is highly encouraged to reduce the cost.

If actual competition expenses are less than budget, a refund will be given at the end of the season. If actual expenses are higher, a bill is sent at the end of the season. For athletes doing a solo or duet or participating on two teams (ex: PS 11-12 and Mixed Abilities), supplemental competition fees will be charged over and above the competition fees listed under the applicable team to cover the additional competition expenses. See table below for breakdown by level.

Fees related to uniforms, routine suits, and athlete meals at competitions are excluded from this amount. Once these amounts are known, a separate payment will be requested.

The fees also do not include athlete affiliation to NAQ as since 2022 members are required to affiliate themselves directly rather than having it be done by the Club.

**Athletes participating on the Mixed Abilities team who are also part of another team do not pay the Team or Club fee for the Mixed Abilities team. However, additional charges will apply for competitions. See table below. In addition, fees for the Mixed Abilities team assume participation at Provincial competitions only. If Nationals are attended, additional fees will apply.
