

Payment Policy and Athlete Withdrawal

August 2017

Payment policy

Q: How can I pay for the Dollard Synchro (“Club”) fees?

Dollard synchro accepts cash and / or cheques including post-dated ones.

Q: By when do I have to pay the Dollard Synchro fees, or submit my post-dated cheques?

All fees must be paid and posted-dated cheques submitted by the registration close-off date, which is defined as the date of Club registration of the competition year.

Q: By when do I have to pay the Dollard Synchro fees, or submit post-dated cheques for the Provincial Stream privates?

All Provincial Stream privates must be paid by the Provincial Stream privates registration close-off date, defined as the date of Provincial stream privates registration of the competition year.

Q: What if my payment is not received by the due date?

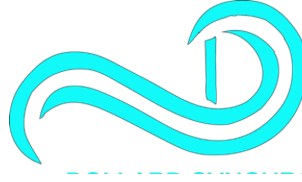

Dollard Synchro reserves the right to suspend participation until payment is received and a \$25 late fee will be charged. The athlete will not be permitted on deck. The parent will still be charged for privates missed. This is applicable to the Provincial and National Streams, Masters and the Pre-Competitive programs.

Q: What if my cheque comes back with insufficient funds (bounced)?

If a cheque bounces, it is to be replaced within 2 weeks of being informed by the Treasurer including an additional \$15 NSF charge. If the cheque is not received within 2 weeks, the Board of Directors reserves the right to suspend the athlete’s participation until payment is received or a revised payment plan put in place.

Q: I have paid all of the fees that were quoted at the time of registration, so why is Dollard Synchro requesting more fees throughout the season?

Competition fees quoted at the beginning of the season do not include competition bathing suits as the design is only done after the season begins. Parents will be responsible to pay the Club for the bathing suits when the information is given by the team coach. Post-dated cheques are also accepted. Parents will not receive the competition bathing suit until it has been paid for.

Competition fees quoted at the beginning of the year are estimates and may result in additional charges at year end depending on the location of the competitions. Parents are responsible for paying remaining balances by middle of August.

Please note that account balances must remain in good standing throughout the season.

Withdrawal Policy

Q: Can I withdraw my child from the Dollard Synchro Club at any time?

A: Yes. Dollard Synchro understands that situations will arise that will require an athlete to withdraw.

Q: Will I get refunded all the fees I have already paid and/or ones that I have posted dated?

A: No. The Dollard Synchro Club guarantees its numbers each season to AADD0 and is bound to a certain dollar amount to cover coaching expenses. AADD0 fees are non-refundable.

Q: How do I know what gets refunded and what does not?

Every withdrawal is evaluated on a case by case basis. However, Dollard Synchro has provided some examples to clarify the refund calculation.

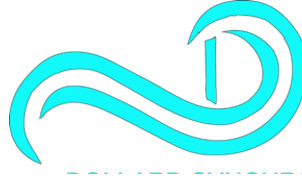

COMPETITIVE TEAMS (Provincial and National Streams and Masters)

1. If the athlete withdraws up to one week after the Club registration close-off date, full refunds less an amount equivalent to one eighth of the amount payable for the season and a \$50 administration fee will be issued. Assuming fees are as follows:

AADD0: \$50
Team: \$1,000
Club: \$325
Strength: \$425
Competition: \$2,000
Total fees: \$3,375

The reimbursement would be calculated as follows:

AADD0 fee: non-refundable
Team + Club + Strength: $\$1,000 + \$325 + \$425 = \$1,750 * 7/8 = \$1,531.25$
Competition: fully refundable as no competitions have occurred
Administration fee: \$50

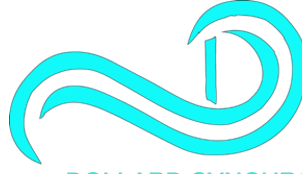

Total refund: \$1,531.25 + \$2,000 - \$50 = \$3,481.25

2. If the athlete withdraws after one week following the registration close-off date, partial refunds, less an amount equivalent to one eighth of the amount payable for the season and a \$50 administration fee will be issued. See details below:

- Club and Team Fees will be refunded on a pro-rata basis less an amount equivalent to one eighth of the amount payable for the season if withdrawal is prior to January 1st of each competition year. For withdrawals on January 1st or after there will be no refund of the Club and Team Fees. Fees of athletes qualifying for the Centre of Excellence will be refunded on a pro-rata basis even if the qualification is after January 1st.
- Private Fees will not be refunded as Dollard Synchro has contractual obligations to its coaches. However, if another Dollard Synchro Club athlete agrees to assume that private time and pay for it, then these private fees will be reimbursed subject to both accounts being in good standing. It is the responsibility of the athlete leaving the club to find a replacement for these private hours although the coaches will assist as much as possible.
- Competition Fees will be refunded based on which competitions the athlete has attended or has already been registered for. Those fees that cannot be recovered will be charged in full. This amount will also take into account any travel expenses that have already been incurred by the Club with regard to the athlete. Other expenses incurred as part of the athlete's competition fees, such as amateur cards, routine music allocation, competition bathing suits and strength, will not be refundable. The Club will subsidize 80% of the fees associated with a competition that was missed due to an illness. Parents will be responsible for the remaining portion and must provide a doctor's note.
- Only athletes participating for the full season will be eligible for any Club subsidies. These subsidies are determined by the Board of Directors at the end of the season. Only accounts in good standing throughout the year will receive Club subsidies. Accounts deemed to not have been in good standing throughout the year would include those with unpaid balances, returned cheques not replaced promptly and inordinate efforts to effect collection.
- Fundraising revenue generated by the athlete throughout the season will be returned in full based on the policy for that specific fundraiser.
- AADD0 Fees are non-refundable.

Example: If the athlete withdrew December 15th, the refund would be calculated as follows:

AADD0 fee: non-refundable

Team + Club: $\$1,000 + \$325 = \$1,325 * 7/8 = \$1,159.38$

Prorated portion of Team + Club = $\$1,325/9 \text{ months} * 2 = \294.44

Strength: non-refundable

Competition: fully refundable except for December competition and any other non-recoverable costs as described above. Assume cost allocated to athlete is \$200.

Administration fee: \$50

Fundraising: Assume the athlete participated in one activity and the amount to be credited to their account is \$100.

Total refund: $\$1,159.38 - \$294.44 + (\$2,000 - 200) - \$50 + \$100 = \$2,714.94$

3. Example: If the athlete withdrew February 15th, the refund would be calculated as follows:

AADD0 fee: non-refundable

Team: non-refundable as after January 1

Club: non-refundable as after January 1

Strength: non-refundable

Competition: fully refundable except for December and February competitions and any other non-recoverable costs as described above. Assume cost allocated to athlete is \$700.

Administration fee: \$50

Fundraising: Assume the athlete participated in one activity and the amount to be credited to their account is \$100.

Total refund: $\$2,000 - 700 - \$50 + \$100 = \$1,350$

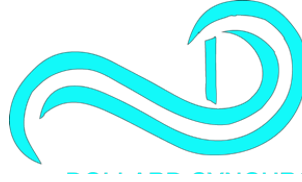

PRE-COMPETITIVE TEAMS

1. If the athlete withdraws up to one week after the Club registration close-off date, full refunds less an amount equivalent to one eighth of the amount payable for the season and a \$50 administration fee will be issued.

- If an athlete withdraws after one week following the registration close-off date, pro-rata refunds, less an amount equivalent to one eighth of the amount payable for the season and a \$50 administration fee will be issued. See details below:
- Club and Team fees will be refunded on a pro-rata basis less an amount equivalent to one eighth of the amount payable for the season.
- AADD0 fees are non-refundable.
- Fundraising revenue generated by the athlete throughout the season will be returned in full based on the policy for that specific fundraiser.

Q: How do I go about officially withdrawing my child from Dollard Synchro?

Make your request in writing, dated and addressed to both the Head Coach and the

President of the Club, stating the reason for withdrawal. The effective date of the withdrawal is the date the notification is received (email, carrier or hand delivery) by the Head Coach, regardless of the date the athlete actually stopped attending practices, if earlier. Please refer to the template below.
